

PERMISSIVE ACCESS

This walk alongside the River Devon links up with existing public footpaths to provide a circular route. There is a wetland adjacent that has been created for breeding wading birds so look out for snipe and lapwing. Otters can be found in the river and holts have been created for their use. Please keep your dog on a lead.

This access has been provided under the Department for Environment, Food & Rural Affairs' farm conservation schemes as managed by Natural England, which help farmers and land managers protect and improve the countryside, its wildlife and history. It is permissive access and no new rights of way are being created. Existing rights of way are not affected. Please follow the Countryside Code and observe any other requirements shown above. Do not disturb wildlife, livestock or other visitors and in particular keep dogs under control. This is working farmland so please take care; people using this site do so at their own risk. Access ends on 31st January 2018.

For access related queries please call the Access Management Unit on 01902 693218 (Office Hours).
