

PERMISSIVE ACCESS

You are welcome to use this permissive access. The access links in with the existing network to create a range of routes. Walkers can use all the routes shown. There is a section of permissive bridle path to create safe off road routes for horses. Please can horse riders stick to the designated routes. The route has been provided under the Environmental Stewardship Scheme.

This access has been provided under the Department for Environment, Food & Rural Affairs' farm conservation schemes as managed by Natural England, which help farmers and land managers protect and improve the countryside, its wildlife and history. It is permissive access and no new rights of way are being created. Existing rights of way are not affected. Please follow the Countryside Code and observe any other requirements shown above. Do not disturb wildlife, livestock or other visitors and in particular keep dogs under control. This is working farmland so please take care; people using this site do so at their own risk. Access ends on 31st October 2018.

For access related queries please call the Environmental Stewardship Permissive Access Team on 01902 693218 (Office Hours).
For all other Defra related queries please contact the Defra Helpline on 08459 335577 (Office Hours).
