

PERMISSIVE ACCESS

This permissive bridleway forms part of a network over the Prestwold Estate, to allow riders safe, off road access, through the Higher Level Stewardship Scheme. There are several circular and linear routes over the estate which link up with public bridleways to give stunning views over the Leicestershire countryside. During your ride you may be lucky enough to see several species of farmland birds which are being encouraged under the scheme, as well as newly restored parkland and buildings. Please try not to ride on the margins adjacent to the hedgerows as these are being managed for wildlife.
