

# PERMISSIVE ACCESS

Three miles of permissive bridle paths have been created around Grange Farm for recreational use by horse riders & walkers. An existing public bridleway links this circular route to the village of Cotham. The permissive bridle paths at Grange Farm link up with 4.5 miles of permissive bridle paths at The Grange in Hawton which allows for a longer walk or ride. Please keep dogs on leads at all times.

This access has been provided under the Department for Environment, Food & Rural Affairs' farm conservation schemes as managed by Natural England, which help farmers and land managers protect and improve the countryside, its wildlife and history. It is permissive access and no new rights of way are being created. Existing rights of way are not affected. Please follow the Countryside Code and observe any other requirements shown above. Do not disturb wildlife, livestock or other visitors and in particular keep dogs under control. This is working farmland so please take care; people using this site do so at their own risk. Access ends on 30th September 2019.
